

BRAINERD TO HONOR SOLDIER BOYS ON FRIDAY, SEPT. 21st

MAYOR R. A. BEISE ISSUES PROCLAMATION

Urges Citizens to Gather at Depot, Band, Drum Corps, Old Soldiers, School Children and All

Employers Asked to Grant Two Hours Leave to Employees---Open House at the Chamber of Commerce

A PROCLAMATION

To the Citizens of Brainerd:—

On Friday, September 21st, the first quota of men called to the colors from this section of Minnesota will entrain on the Northern Pacific special leaving Brainerd at 12:05 p. m. One hundred and thirty soldiers will make up this body and it is the duty of every loyal citizen to give them the encouragement their patriotism so well deserves by meeting at the N. P. depot and according them a rousing send-off.

I therefore recommend and urge that our citizens, the city schools, Brainerd band, the G. A. R. Post and Chamber of Commerce Drum Corps, gather at the depot at 11 a. m. sharp for this purpose, that the American flag be displayed and carried everywhere and that so far as possible, business be set aside for the hours between 11 a. m. and 1 p. m.

I further urge that employers of labor grant their employees two hours in which they may participate in this demonstration and that especially in the case of members of the Brainerd band, such leave of absence be granted in the interests of national patriotism and community pride.

(Signed) R. A. BEISE,
Mayor, City of Brainerd.

Open House at Chamber

The Chamber of Commerce will keep open house on Thursday evening for the benefit of soldiers who leave the following day for service and their friends. They are cordially invited to make free use of the Chamber rooms, the office of the secretary will be kept open until a late hour, telephone service and any other accommodations for the men be gladly afforded and their friends given an opportunity to meet and visit with them. This invitation is general to every man called to the colors, their friends and relatives.

House & Social Committee,
Chamber of Commerce,
F. E. STOUT, Chairman.

America Making Full Steam Ahead

(By United Press)

Atlantic City, N. J., Sept. 18.—In a scathing indictment Secretary of Interior Lane spoke at the session of the war convention for the chamber of commerce of the United States, stating that "Germany seeks to master the world with high explosives and low intrigue," and declared "that America was making full steam ahead in a war that will continue fighting until the world has no cause to fear kaiserism."

German Action Indicates Restoration of Civil Authority

(By United Press)

New York, Sept. 18.—The early restoration of civil authority to the Belgium people is foreshadowed by the German government's failure to fill the vacant posts of civil governor and assistant civil governor previously held by German officials. The German newspapers have been quick to find significance in the fact that these two important offices are unfilled, and think it probable that the kaiser and his cabinet are consulting public opinion in Germany. Such a step it is thought would be preliminary to a complete restoration in Belgium.

German Money Not Causing Labor Unrest

(By United Press)

Washington, Sept. 18.—President Wilson is taking steps to quell labor unrest to dissipate the effect it is having on Russia. It can be stated positively the government has found no evidence of German money in any disturbance including the I. W. W. plots. The president is expected to take a definite stand in the Mooney case shortly. Appeals are coming in daily expressing doubt of Mooney's guilt.

FOR CAVALRY MEN

Enlistments Desired in White Cavalry Regiments, by Order Adj't.-Gen. W. T. Bates

Corporal Raymond Lowry has received this notice from Adj't.-Gen. W. T. Bates:

"In view of the fact that vacancies are reported in white cavalry regiments qualified applicants with or without prior service may be accepted for enlistment for white cavalry, general assignment, without special authority in each case from this office."

"The Fighting Trail"

In addition to his many records as an athlete, William Duncan, hero and director of "The Fighting Trail," Greater Vitagraph's thrilling serial, has established a new one as a rapid-fire producer of motion pictures. During the making of the second episode of the serial, which will be shown at the Empress theatre tomorrow, Mr. Duncan set a new mark for the Vitagraph western studio by "shooting" 36 big scenes in one day, between sunrise and sunset.

His wonderful capacity for work also was shown on another day when he worked 24 hours without any rest. He separated his company into three groups and worked each one eight hours, he being on the job all the time. He had his reward, however, in the knowledge that he had produced one of the biggest pictures ever made in the shortest time known for such a venture, finishing up the serial seven days in advance of the time set by the Vitagraph company.

"My Soldier Girl"

It will be good news to local theatre-goers to learn that Manager Workman of the Park opera house, has booked for Tuesday, Sept. 25th, the gorgeous musical spectacle "My Soldier Girl."

This tremendous success has a score or more of popular melodies of which the title song "My Soldier Girl" is the raging hit of the season and is hummed or whistled as the audience make their exit. Song hits are not the only feature in this big musical play, the costumes are a fashion show in themselves, so cleverly are they designed and the color schemes so perfectly blended.

Aitkin, Minn., Sept. 18.—Thorp of Cloquet, one of the best known old-time hunters of the country, who has been on hand opening day for the past twenty years, accidentally shot off hand and arm and was brought to Aitkin from Big Rice lake out of Kimberly and then taken to Duluth for treatment.

CLAIMED DUCKS ARE PLENTIFUL

Chickens are scarce, so hunters report who have been out in the fields. Ducks, on the other hand, are fairly plentiful and hunters report considerable success in bagging them.

One of the strangest hunting yarns is that reported by B. C. McNamara and friends. Julius Deering had blazed at the only chicken seen that day and winged it on a long shot. The bird dropped, but swifter than its fall was the swoop of a hawk which snatched Mr. Chicken and nothing more was seen of it.

How Thick is a Coat of Paint?

A coat of Minnesota Paint, properly applied, measures three one-thousandths of an inch in thickness. Think what extreme wear and endurance is expected of this thin film. The same thickness of armor plate would not afford equal protection for the same length of time.

Minnesota Paints are made of the best White Lead and Oxide of Zinc, ground in Linseed Oil of their own make. Forty-six years of satisfactory service makes it the safe paint to buy.

WOMAN'S REALM

SHARPS AND FLATS

(BY FIDD)

The Brainerd City band will hold a special rehearsal Wednesday evening at the city hall at 8 o'clock. The musical program to be played Friday at their 46th annual ball, will get the once over.

The Symphony orchestra met for the first time this season last Saturday night with an attendance larger than the first rehearsal of any previous season. In beauty of theme and orchestral structure the music for the first concert can hardly be surpassed.

Georgia Drexler, who recently gave such a successful recital here, repeated her success in Staples last Thursday night. After all expenses were paid between \$35 and \$40 were realized for the Red Cross fund.

Edwin Lee brings an orchestra to Pierz Sept. 26th for a concert and dance. It is probable that he will fill an engagement there every Wednesday. Mr. Lee will teach the violin in Staples every Thursday.

Mr. Bergh played the Wilhelm arrangement of Chopin's "Nocturne" at the Congregational church Sunday morning. The writer deemed it a special privilege to again hear Rev. Sheridan deliver a sermon more deep and forceful than ever before.

Ben Zakariassen, one of Mr. Bergh's best pupils, will soon leave for an agricultural school. They have a fine orchestra there and undoubtedly Ben will soon be right at home.

Miss Brisbane leaves for St. Paul within the next few days. The best wishes of every member of the orchestra go with her.

Irene Quinn resumes her violin studies on Wednesday.

Harold Opsahl has been appointed principal of the second violin section of the orchestra.

Mr. Bergh states that he is badly in need of double bass players for the Symphony. There is also a shortage of cellos this year for local rehearsals. Of course at the concerts three will be added from Staples. Brainerd possesses a first class cellist in Mr. Rodenkirchen and more young people should learn this charming instrument.

Maurice Nelson is preparing a recital program to be given before the holidays.

Lester Bredenberg whose ability to master the technique of the violin, is always a joy to his teacher, has resumed his studies.

Julius Witham is again able to be around and is now gaining in health so quickly that in but a very short while we all look for him to be as well as ever. His doctor and mother who have worked over him both night and day, are to be given the credit for the remarkable cure.

The Best theatre will have an orchestra for the wonderful undersea picture, "20,000 Leagues Under the Sea."

Peoples Church Aid
The Ladies' Aid of the Peoples' Congregational church will be entertained at the church parlors Wednesday afternoon, Sept. 19, by the pastor, Rev. Crist. Everybody invited.

L

LIQUOR MEN TO ASK PRAYER

Assert They Will Request Bishop Quayle to Pray.

St. Louis, Mo., Sept. 18.—John P. Penna, president of the St. Louis Retail Liquor Dealers' association, has stated he would invite Bishop William A. Quayle of the Methodist Episcopal church, formerly of Minnesota, to deliver an address and make a prayer at the next meeting of the association, Oct. 14. He made this statement after learning that Bishop Quayle in a sermon here said he never had been invited to make an address or prayer at a liquor convention, but had a prayer ready, if such an invitation were received.

Seven Die in Train Collision.
Aurora, Ill., Sept. 18.—Seven Iowa stock men have been killed in a rear end collision on the Burlington railroad near Earlville, Ill., 45 miles west of Aurora. Ten were injured. The men who were killed and most of those injured were in two sleeping cars and a way car attached to the rear of the stock train. The merchandise train plowed through. The identified dead are: W. D. Dixon, Hamilton; Otis McCauley, Kellerton; T. Bender, Fairfield; W. Foulks, Charleston, and J. Walker, Milo.

BIRTHDAY PARTY

Mr. and Mrs. John A. Hoffbauer entertained at Ideal on Occasion of Her Birthday

Mr. and Mrs. John A. Hoffbauer entertained at a dinner at the Ideal Hotel Monday evening on the occasion of the birthday of Mrs. Hoffbauer. The table was decorated with flowers and American flags dyked the walls. An ideal dinner was discussed, covers being laid for seven. Mrs. Hoffbauer was the recipient of many pretty presents.

Great Drama of Jules Verne Given
Wonderful Setting in Photo
Drama at the Best

THEATRE CROWDED BOTH HOUSE

One's Breath Taken Away by the Silent Drama Played in the Depths of the Ocean

Some photo plays confine themselves to the earth, others have scenes in the clouds, but not a one had the hardihood to take the floor of the ocean as the scene of a silent drama until Jules Verne's masterplay "20,000 Leagues Under the Sea" received a setting in ocean depths and so faithfully and realistically have the scenes been depicted that the French master writer would have been astonished himself could he have viewed the play as presented to the "Best" theatre patrons at matinee and two evening performances Monday.

Seats were at a premium and it is expected the "Best" will have a repetition of such good business this Tuesday.

It is a clean, educational, moral and most entertaining story unfolded in glassy sheen of water and calls for a scenario whose bounds are almost limitless, including under the sea, on the sea, in the air and on the land.

The "Best" is to be congratulated on the quality of the pictures shown. The offerings at the "Best" compare most favorably with the cream of pictures in Duluth, Superior, St. Paul or Minneapolis.

"Intolerance," for instance, came to Brainerd before it showed in Duluth. "Poppy" was shown months ago in Brainerd before Duluth saw it. Study the "Best" program for September and October and you will be surprised at the wealth of attractions secured.

The Minnesota Scenic Highway is to be traversed by Secretary N. M. Koll, of Cass Lake, who will be accompanied by an expert route mapper, the idea being to gather data for a hundred page booklet describing the route, its advantages and to gather cuts and photos for reproduction in the work. Mr. Koll expects to be in Brainerd on Wednesday evening, Sept. 19, on the trip and will meet with the directors and friends of the road for the purpose above stated. The route should be well advertised and this is the proper way to go about it. It is hoped that Mr. Koll will be given the data necessary to advertise Brainerd and Crow Wing county while here.

State Game and Fish Commissioner Avery is now at Red Lake arranging with fishermen for the taking of pike, white fish and other food varieties from that lake, the product of their labors to be sold under state supervision for the purpose of reducing the cost of living by getting the fish to consumers through the state at actual cost price through the public markets at St. Paul, Minneapolis, Duluth and other places where sufficient quantities are used to make it practical. The move is one in the right direction.

The sovereign grand lodge of Odd Fellows in session at Louisville, Kentucky, have a proposition before them to lay a yearly special assessment of \$1.00 to be continued so long as the war lasts the proceeds to be expended through the American Red Cross for the relief of Odd Fellows in the United States military service. If the project is approved by the body it will provide a yearly fund of nearly \$2,500,000. Nearly 10,000 members of that organization are in attendance at the sovereign session.

Motley sportsmen have entered into a gentleman's agreement not to shoot prairie chickens this season, pledging themselves to this purpose. The scarcity of birds in that section was caused by late fires last fall and the two wet seasons preceding. The gentlemen are to be commended for their action as they are taking a sportsmanlike view of the situation that could be followed with credit in other sections.

GERMAN EDITOR IS INTERNED

St. Paul Man Taken South to Remain During War.

St. Paul, Sept. 18.—Fritz Bergmeier, editor of the Die Volks Zeitung, St. Paul daily German paper, has been taken by federal officers to Fort Snelling from where, it was announced, he will be taken to McPherson, Ga., where he will be interned for the period of the war.

Bergmeier was arrested in St. Paul on August 9 under orders from President Wilson. He was arrested under the proclamation of April 6 which states that "no alien enemy shall write, print or publish any attacks or threats against the government of the United States."

GERMANY SENDS NOTE TO SWEDEN

Expresses Regret At Trouble Caused By Sending of Dispatches By Luxburg.

ALSO EXTENDS THANKS

Minister Who Caused Trouble Reported to Have Taken Departure From Argentina—Wireless Permit Revoked.

Washington, Sept. 18.—Expressions of regret over the telegrams sent by Count von Luxburg, the German minister to Argentina, to Berlin through the Swedish minister at Buenos Aires, have been made to Argentina by the German government. Argentina, it is announced by its foreign minister, declines to accept the verbal assurances of an under secretary of the German foreign office and awaits a formal note from Berlin before taking addition steps.

London, Sept. 18.—Expressing regret at the trouble occasioned on account of Sweden transmitting telegrams to Germany, the latter country has sent a note to Sweden, according to the Stockholm correspondent of the Central News agency.

Germany says she is obliged to the Swedish government for transmitting the messages, but regrets that her representatives in Argentina should have sent the telegrams in the phraseology they did.

Permit Is Withdrawn.

Buenos Aires, Sept. 18.—The government has withdrawn permission granted to a German wireless company to attempt to receive wireless messages from the German station at Nauert.

Count Luxburg, German charge, who used the Swedish legation as his agency for transmitting messages to Berlin, was reported today to have de-

parted from Argentina. Verification could not be obtained from the German legation and Argentina officials refused information.

Intimates Note Was Stolen.
Mexico City, Sept. 18.—Germany's explanation of the manner in which the United States obtained possession of the celebrated Zimmerman note to Minister von Eckhardt and the Cronholm cable is printed in El Democrata, the official organ of the German legation, in the shape of a statement from a "high official" of the legation.

This "high official," who is supposed to be Von Eckhardt, intimates that the note was abstracted from the mailbags containing the German official correspondence which was stolen by the United States government.

In the statement denial is made of the authenticity of an interview printed here in which the minister is quoted as repudiating the authorship of the Cronholm cable.

NOT TO SEIZE CANNED FOOD

Denial of Report Believed Started by Enemies.

Washington, Sept. 18.—The untraceable rumor that the government intends to take canned and dried foods from homes has spread to such an extent that the Department of Agriculture today placed an explicit and official denial in the hands of every county agent with instructions to give it widest publicity.

The persistency of the rumor leads officials to believe its basis probably may be found in propaganda to hinder food conservation and thereby continue high prices.

TO FLY FROM HAMPTON ROADS

Four Italian Planes to Make Flight to Capital.

Washington, Sept. 18.—Four Italian airplanes piloted by Italian army aviators are to fly from Langley fields at Hampton Roads to Washington just as soon as the weather clears from the recent coastal gale. One of the planes will carry 10 passengers in addition to the pilot while the others will have on board an observer, as well as the pilot. A big Caproni will be operated by Lieutenant Resnati and the smaller ones will be a Pomilio, Lieutenant Baldoli; a Fiat, Lieutenant Ballerini, and a Macchi, Lieutenant Adamoli.

DELCO LIGHT AT COUNTY FAIR

Woodhead Motor Co. to Have Fine Exhibit There, Lighting Agricultural Building

HAVE SOLD MANY IN COUNTY

Fred Parker Has Fine Outfit at Parkerville, J. C. Barber Bought Two Delco Plants

The Woodhead Motor Co. will have a Delco lighting plant exhibit at the Crow Wing county fair Sept. 19, 20 and 21, located at the east end of the agricultural building. There will be 65 lights.

A Delco lighting plant was sold to Fred Parker and he lights up all Parkerville with it. The machine is in a regular power plant building, rests on a cement foundation, is rolled off, the exhaust pipe is gilded, there is a marble switch board, and it also illuminates the flagpole, pumps water and warms up Mr. Parker's heater in addition to furnishing light for 65 lamps.

J. C. Barber bought his first Delco lighting outfit for his son Frank Barber, at country summer home No. 2. Just the other day he bought another for his own country place, which showed in conclusive manner that he was satisfied with the operation of the plant.

BRAINERD'S ODDEST STORIES OF TODAY

It was the first day at school of one Brainerd hopeful and his mamma asked him how he liked school.

"Oh mamma, but I like the recesses," he said with genuine enthusiasm.

John Uddenberg, of the Ransford, was driving the hotel horse and at the corner of 6th and Front he stalled in the path of a big touring car. John slapped the lines and yelled, "Giddap," but there was no move until the horse had taken a good look at the car. Then he loped away.

Two kisses delayed the leaving time of the Staples-Duluth train and two kisses worked a like havoc with the leaving time of the St. Paul train yesterday afternoon. It all happened after the conductor had yelled "All Aboard" and the brakie had thrown in the step when the salutations were given and the N. P. Ry. had to wait.

VISITS FARGO, N. D.

Andrew Berglund, Manager Ransford Gains Pointers on Hotel Management at the "Gardner"

Andrew Berglund, manager of the Ransford hotel, on Saturday and Sunday visited in Fargo and there, as guest of Al L. Leimbacher, proprietor of "The Gardner" hotel, inspected the hotel and its system which has made it one of the most popular in the northwest. Mr. Berglund, who October 1 presides over a European plan Ransford hotel, was especially interested in "The Gardner" and its methods.

In the afternoon a motor trip was made about the city and vicinity. Mr. Berglund was especially pleased with the new Country Club and with the city development as portrayed in such graphic manner in the special edition of the Fargo Daily Courier-News in which "The Gardner" hotel glowed forth with a half page ad.

Miss Leimbacher is society editor of the paper and her department is one of the interesting features.

"Billican" Canan, Brainerd artist, is the new cartoonist on the Courier-News and the Sept. 16th issue contained sketches on the opening of the hunting season.

Mr. Berglund came back a firm booster for Fargo, its hotels, papers and many industries.

HUNTING LICENSE SHOULD BE CARRIED

Deputy Game Warden A. P. Cardie Will Challenge Every Hunter he Meets in This Regard

REPORTS TO CARLOS AVERY

Aliens do not have Privilege of Hunting in State Unless They Get Non-Resident License

In instructions received by Deputy Game Warden A. P. Cardie, Commissioner Carlos Avery of the State Game and Fish Commission writes: "You will please pursue the same course as has been the policy of this department for the past few seasons, and challenge every hunter you meet for his license, making a note of his name and address and the number of his license, and include in your daily reports.

"Please give all possible publicity to the present law governing hunting licenses, so that it may be generally known that all persons over fourteen years of age must have license to hunt in this state; also, see that it is understood that aliens do not have the privileges of having firearms or hunting in Minnesota except on purchase of a non-resident license. This prohibition does not extend to persons who have taken out their 'first papers.'

"Please extend your organization as widely as possible, and cooperate with county officers, newspapers, game protective organizations and others, so that violation of the law will be reduced to a minimum."

STAND BY THE PRESIDENT

At a patriotic meeting in the country near Brainerd Rev. A. Sorenson made a speech vibrating with patriotism and took to task any people of Swedish parentage who may have deviated from the lines of good citizenship as laid down by President Wilson.

SMOKER FOR BOYS GOING TO FRONT

Boys going to the front will be entertained at a smoker given by Unity Lodge of the Odd Fellows at Odd Fellow hall on Wednesday evening, Sept. 19.

ROLL OF HONOR

Chester Darling, assistant circulation manager of the Duluth News Tribune, was in the city Saturday, Sunday and Monday, the guest of A. N. Brekke of the Brainerd Tribune. Mr. Darling has been called to the colors and leaves Duluth Sept. 19 with the first quota.

CROP REPORT

Plowing Delayed by Dry Soil in Crow Wing County, Rains Not Penetrating Deeply

In Crow Wing county plowing has been delayed by dry soil. Farmers state the rains of the past days although frequent, have not penetrated deeply into soil. It rained four days in the past week, Sept. 9, .04 inches; Sept. 12, .40 inches; Sept. 13, .30 inches, and Sept. 14, .02 inches.

Threshing is about finished with fair returns of rye, oats, barley and wheat.

Corn crop is about 90 per cent loss, being ruined in the unparalleled frosts of Sept. 9 and 10. Warm weather set in Sept. 16 and 17, but the damage had been done and what would have been a splendid corn crop was utterly wiped out Sept. 9 and 10. Meadows and pastures are fairly good. Fruits yielded well.

No crop damage is reported from insects or fungus.

Livestock is thriving fairly well, but many farmers, with but half a stock of hay on hand, say having failed this season, are selling stock. No cattle diseases have been reported so far.

Crow Wing county, whose farmers follow diversified crops, has never experienced a complete failure of crops. A tremendous crop of hay was cut last year. Small grains did well this year. Farmers, although they regret to see their corn lost, are still satisfied with results in other lines.

In Municipal Court

E. W. Van Walk, a well known resident of Northeast Brainerd, was in municipal court on a complaint charging disorderly conduct. Judge Walter F. Wieland heard the case and fined him \$10.

Lights tonight! To light up the church goes on their way to the tabernacle the city will turn on the current and it will be on tonight if it is possible to get all the mechanical work done. It will be on tomorrow night anyway.

The executive committee of the campaign took up the matter with the city council and the secretary of the water and light board guaranteed the essential wherewith and the deed is done.

It will cost the committee a dollar an hour but it is worth it. The man who has stumbled down and fallen over his neighbor's dog will be spared his nerves and is asked to walk down to the tabernacle at the time the hat is passed and have a heart to loosen up.

It is best not to be out late however for the light will be switched out at ten o'clock. Neither will there be an attempt to compete with the moon when she rises in sufficient lunar queenliness that folks can walk home in her gentle beams.

When you look on the arc light on your corner all fired up and beaming remember the church has an invitation for you to go to the tabernacle. Every light is a committee of one to light you on your way to that friendly structure. Come tonight and see how it goes.

There were several committee meetings yesterday at the tabernacle. In the afternoon the women's work committee planned its campaign. The purpose of the women is to gather together the women and girls of the city as much as possible in a closer fellowship. The women feel that the only tie that will bind permanently is the religious one. This work is under the supervision of Miss Irene McCague of the evangelistic party.

In the evening the executive committee had its second meeting and the responsibility of all other committee work was put upon it in an advisory capacity. Dr. Bromley was present and outlined the proper procedure for the accomplishment of the greatest good. The committee chairman were shown the imperative necessity of doing their part with exactness and detail.

There are many features yet to be worked out and things are just now swinging into line. Mr. Bromley has taken everyone into confidence and with the kindest spirit has listened to counsel. The ministers and lay workers have the highest hope that there will be a most sympathetic and cooperative spirit manifested on the part of the entire community. Every man up and no man down is the ideal.

A word of appreciation is due to the lumber, coal and hardware companies for their effort to help in every particular.

When the city is aroused to the knowledge that the work of this campaign is to save men body and soul to make them honest, self supporting, efficient, reliable, pure in mind and speech, interested in moralities and self improvement, and obedient to God—when the reason is understood for this concerted movement of the churches the whole city is expected to turn out and help bear the load of it all.

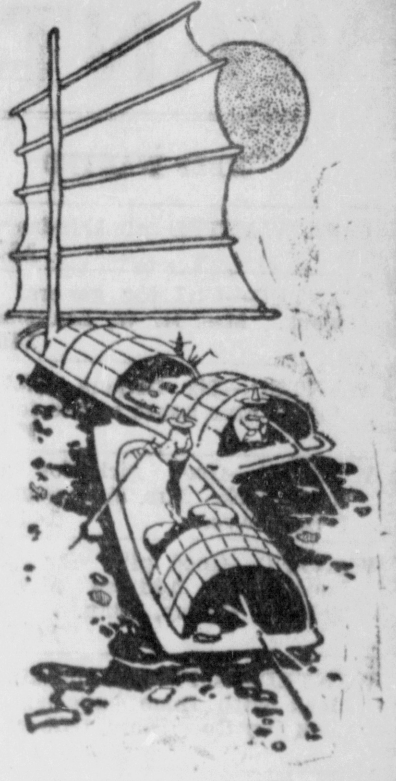

That the city is in need of a spiritual awakening is apparent to any keen observer. A look at our worn and uncommodious church structures is a sure indication that there is a "don't care" attitude even on the part of church attenders. "The people live in houses of cedar but the ark of God dwells in a tent." The attendance upon the services of the church discredits any city with even the most mediocre ideals. The churches are conscious that they have a mes-

SILKS

Fancy silks for waists and skirts is one of the imperative demands of Fashion. There are very prominent stripes and plaids but they are most desirable. These together with our beautiful assortment of dress silks makes our silk department most attractive. We invite you to see these new silks.

LOYALTY MEETING SOUTH LONG LAKE

A well attended and enthusiastic loyalty meeting and farewell to the boys of the neighborhood called to the colors was given in South Long Lake at the Egeland church. Guests of honor were the soldier boys, Alton Thelander, Wm. Handeland, Daniel Peterson, Gust Jackson, Bert T. Peterson, Ludwig K. Nesheim, Ole G. Nesheim and Ed Thompson.

Dinner was served to 150. The choir of the church sang, there were vocal solos by Alton Thelander, Rev. M. L. Hostager and a stirring address by Judge Gustav Halvorson. The climax was reached in his stirring peroration to stand by the flag.

sage and a mission that make for everything that is best in life.

The evangelist has a distinct place in the economy of the church and the ministry of song has always been reckoned one of the most inspiring features of the life of the soul. The Ministerial Association is highly pleased with the party it has now secured for its work. Dr. Bromley is a man with a message, a scholar and a preacher, and the helpers he has are all up to a high standard.

BIG CHANGES IN OPERATING STAFF

New Haven Railway Promotes W. L. Bean, Former Brainerd Man, to Assistant G. O. Hammond

S. L. BEAN ONCE ON N. P. RY.

Son, W. L. Bean, Graduated From Mechanical Engineering Department of University

The following railway news is of interest to Brainerd people as it concerns W. L. Bean, son of S. L. Bean, former Brainerd residents. S. L. Bean was master mechanic in Brainerd ten years ago and his son, W. L. Bean, graduated from the mechanical engineering department of the University of Minnesota.

The New Haven road has announced a reassignment of duties and authority of some of the principal officers of the company, the changes being made for the purpose of better meeting the requirements of the service and the demands of the operating staff.

They affect Clinton L. Bardo, the general manager, who is made assistant to President E. J. Pearson; G. W. Wildin, the general mechanical superintendent, who takes Mr. Bardo's place as general manager under the new order; G. O. Hammond, the assistant general mechanical superintendent, who is moved up a peg to the office held by Mr. Wildin, and W. L. Bean, who has been appointed assistant to the general superintendent, Mr. Hammond.

Under the new arrangement the president's office and the general manager's office will be relieved of certain details in the interest of nec-

Ford Owners Beware

Certain parties in Brainerd are advertising the sale of Ford parts at greatly reduced prices. These parts are not genuine Ford parts but are rank imitations and should be avoided by Ford owners as they are more expensive in the long run, and further the use of these parts absolutely cancels the Ford guarantee.

We will not stand behind any car using these parts.

essary matters which will henceforth receive better attention.

Mr. Bardo, the new assistant to the president, was born October 24, 1867. His railroad experience extends over a period of 32 years, his first position being as a telegraph operator on the P. & E. division of the Pennsylvania railroad. He entered the service of the Pennsylvania on May 30, 1885, remaining with that road until October 10, 1887, when he went with the Lehigh Valley railroad as telegraph operator. In October, 1904, Mr. Bardo entered the service of the New Haven railroad as freight train master at Har-

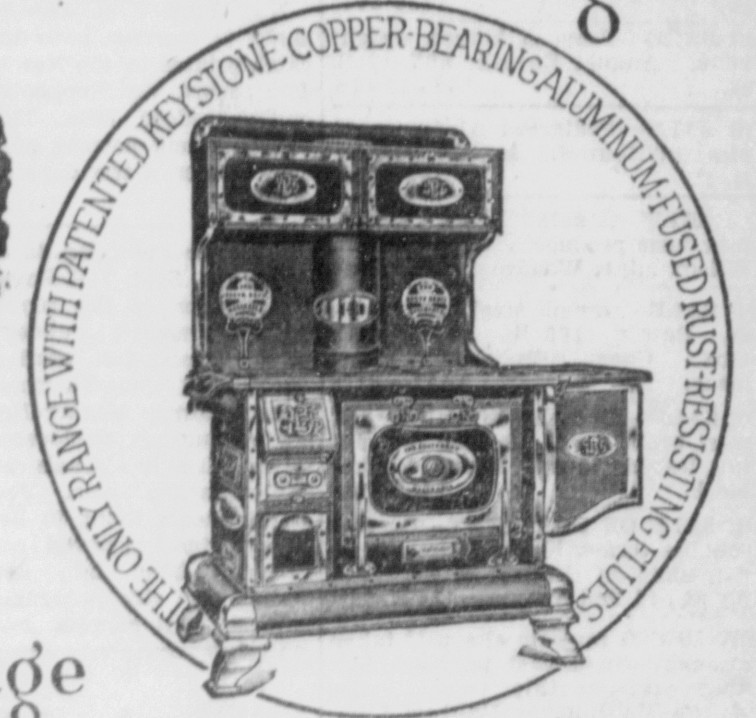

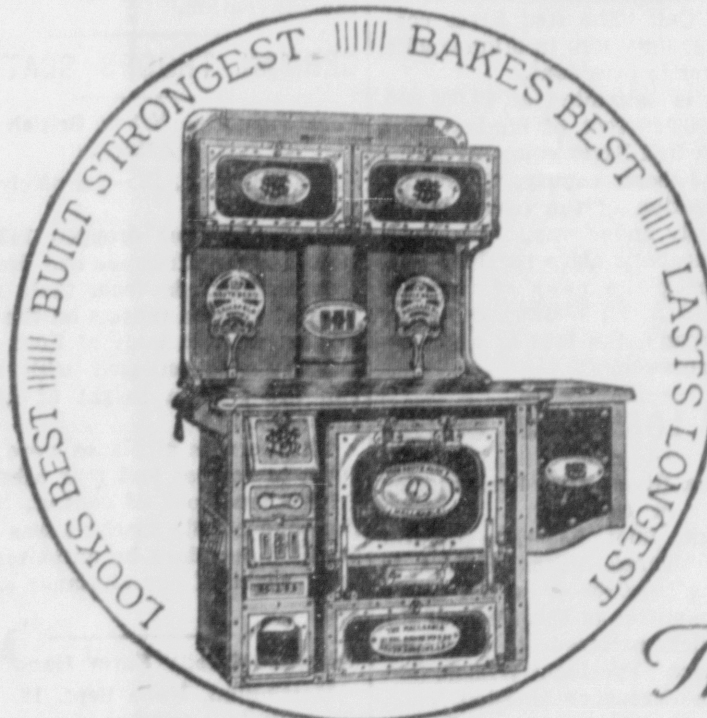

lem river. He remained with the New Haven until March, 1911, when he returned to the Lehigh Valley as assistant to the general manager. On February 15, 1913, Mr. Bardo was appointed general manager of the New Haven railroad.
